

A SEASON TO ENJOY

2023

SPRING TRIAL

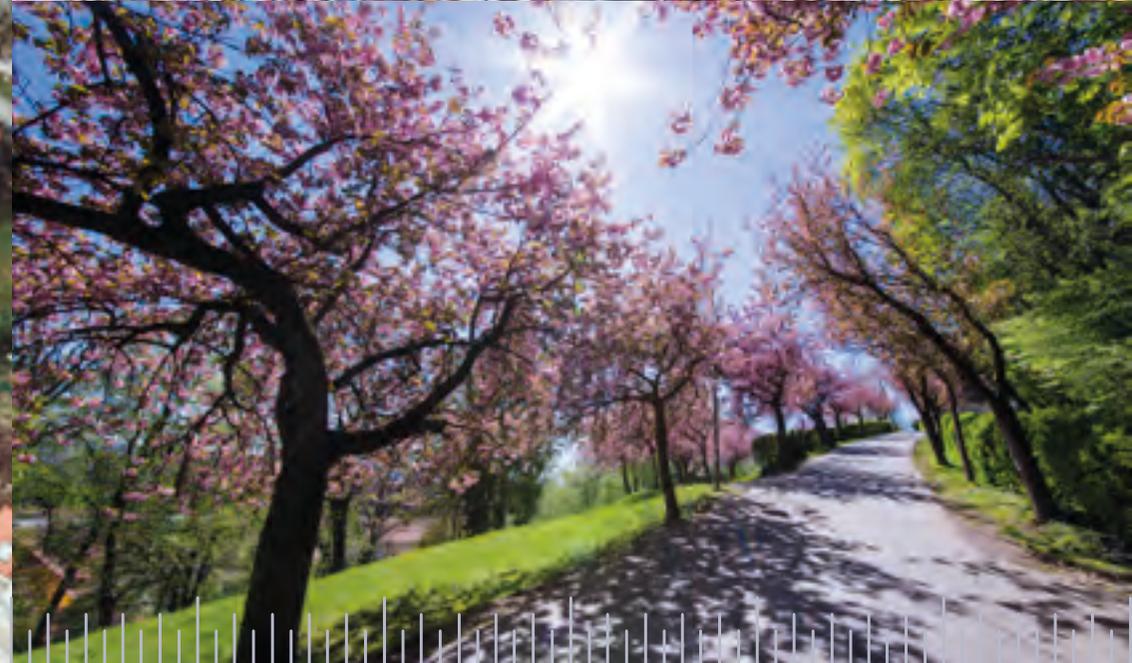

CLASSIC EVENTS

WHAT'S IN A NAME?

Apart from the well-known Winter Trial, a rally in the best season to enjoy the roads sideways, there are much more great seasons to drive on great roads and enjoy the sights. Spring is such a season to enjoy! All flowers starting to blossom, trees turning green again, temperatures rising... The focus in this event will be on the social aspect, the scenery and plenty of time to have your lunch. Take in the sights you would miss out on in different events. Is it still a rally? Yes, we are a rally organizer after all.

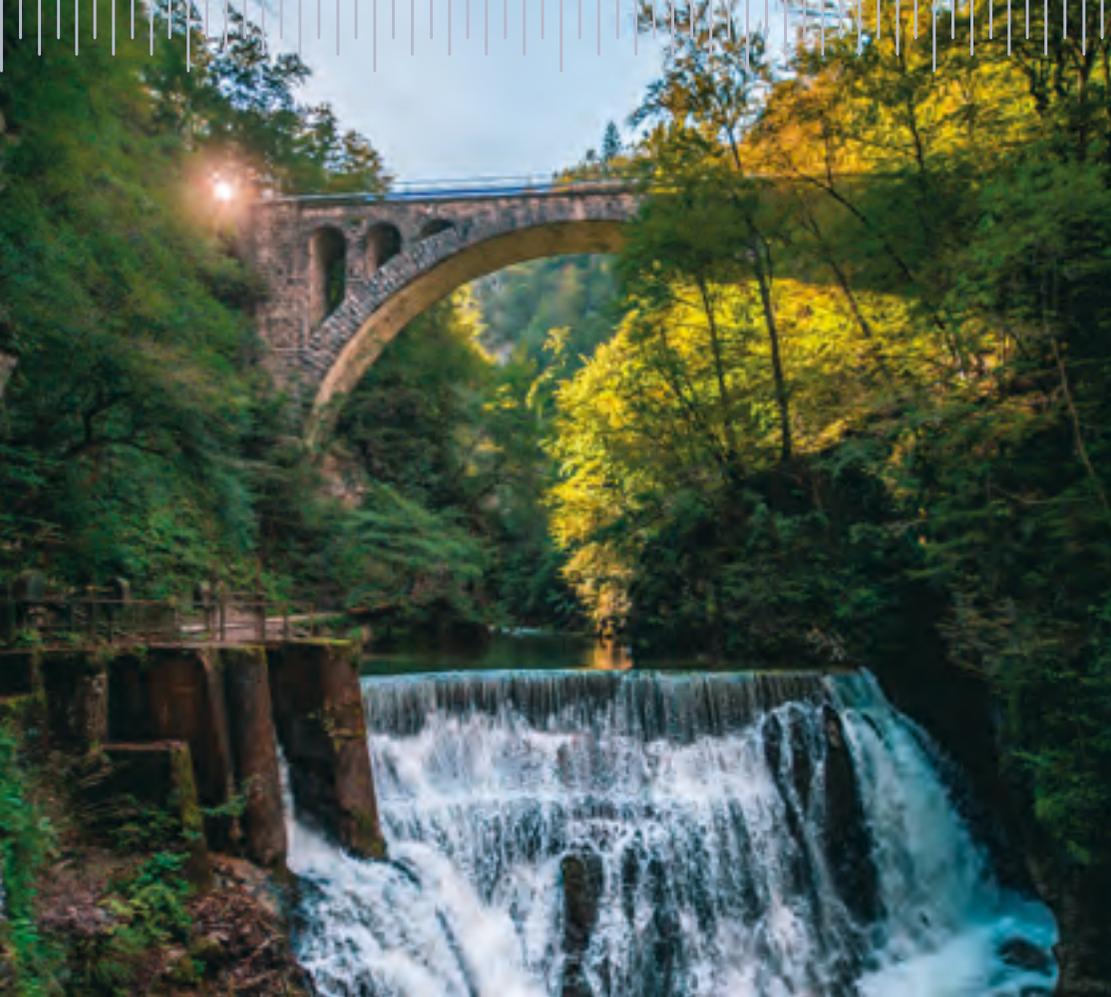

WHAT IS THE SPRING TRIAL?

The Spring Trial is a 5-day tour for classic and pre-war cars that takes place in the late spring.

The selected route will incorporate nice lunches, places to visit, the best available hotels and guarantees a unique experience.

The aim is not to exceed 250 km a day (depending on hotel locations) to ensure a relaxed drive for all.

EDITION SPRING 2023

DO I NEED TO BE A PROFESSIONAL RALLY DRIVER/NAVIGATOR?

This is not a speed event but a road rally, run within normal traffic rules. You do not need helmets or fireproof overalls. Above all, the event is intended to be friendly and fun; with time to socialize with your fellow participants and enjoy the scenery.

A scenic view of a hillside town. In the foreground, a large, light blue building with a prominent red-tiled dome is visible. The background shows a hillside covered with colorful houses, mostly in shades of red, orange, and white, with some blue accents. The sky is filled with soft, white clouds. The overall atmosphere is bright and cheerful, suggesting a spring setting. The text "WE ARE UP FOR THE SPRING" is overlaid in the center in a bold, white, sans-serif font.
